## Discover FSC

FSC® is trusted by NGOs, businesses, and consumers worldwide to protect healthy, resilient forests for all, forever.

FSC is a non-profit organization, providing trusted solutions to help protect the world's forests and tackle today's deforestation, climate, and biodiversity challenges.

Currently, over 150 million hectares of forest worldwide is certified according to FSC standards, designed to address a broad range of environmental, social, and economic factors.

## Discover PEFC

PEFC, the Programme for the Endorsement of Forest Certification, is a leading global alliance of national forest certification systems. As an international non-profit, non-governmental organization, we are dedicated to promoting sustainable forest management through independent third-party certification.
